	Organizational chart	

	Nature and Extent of involvement of Faculty and students in academic affairs/ improvements	As per the norms of AICTE and BTE, all the faculty members are involved in academic activities with planned schedule. Since all the students are differently abled by nature, all the faulty members are providing the necessary input to students with at most care and commitment. Use of sign language, technologies in the class rooms and laboratories, makes the students to learn without difficulties. All the faculty members are present during with working hours, involved in clearing the queries of students and preparing for next academic sessions. If required, special classes will be arranged to students by the faculty members to provide additional / revision classes to improve the academic performance. Counselling is done by a dedicated Psychologist in the area of motivation building, career guidance and addressing their emotional and social barriers.
	Mechanism/ Norms and Procedure for democratic/ good Governance	E-Governance cell is established to perform all the on-line activities such as digital payments, website up-gradation and maintenance, Network maintenance, software maintenance, licensing details and other system requirements and maintenance.
	Student Feedback on Institutional Governance/ Faculty performance	Students' feedback is being obtained regarding the institutional and faculty performance one during the middle of each semester and once at the end of the semester. The feedback will be analyzed and based on the suggestions and comments appropriate action will be taken for the better performance of the faculty and overall development of the institution.
	Grievance Redressal mechanism for Faculty, staff and students	Department wise Grievance Redressal Committee is formed to obtain the Grievances from faculty, staff and

				students and suitable action is taken against the grievances received
